CORRESPONDENCE UNDER 37 CFR §1.8(b)

Amendment B After Final was faxed to the Patent Office on January 24, 2003. A copy of this Amendment B After Final is attached. Pursuant to a telephone conference with Examiner Lillis on March 10, 2003, the amendment B After Final is not in the Patent Office file and has apparently been misplaced at the Patent Office.

As a further matter, it has been discovered that the Amendment B After Final at page 7 was inadvertently left unsigned although the cover sheet and Petition for Extension were both signed. Applicants submit a signed page 7 of the Amendment B After Final if such is necessary to ratify Amendment B After Final.

Respectfully submitted,

By minimizing the footprint, the trailer-mounted crane can be configured of a sufficiently light weight to be usable upon delicate ground surfaces, such as are present on a golf course, without damaging the surfaces, such as might occur using a larger, heavier crane.

Applicant submits that all claims are in condition for allowance.

Respectfully submitted,
